

The earthquake has broken a water pipe upstairs in a house on your block and it is slowly flooding the downstairs. They are renting through Airbnb and don't know how to shut off the water to the house.

Do you call it in? Is there anything you and your neighbors can do to help?

This couple is offering to deliver or pick-up supplies as needed.

Do you call this in?

A store owner is outside and says no one is in the building. You call out and there is no answer. Debris has fallen into the street and is blocking traffic.
